

## ***International Geographical Union 2011 Regional Conference: Santiago de Chile***

### **Santiago Travel Grant Program**

The International Geographical Union (IGU) announces the availability of travel grants to help defray the costs of participation in the 14 – 18 November 2011 Regional Conference in Santiago, Chile. A total of \$25,000 will be awarded competitively.

In selecting applicants to receive awards, preference will be given to new scholars and to those from developing countries. Because the funds available for this awards program are extremely limited, all applicants will be required to meet some of the costs of participation; applications for 100% support cannot be funded. Applicants must submit an abstract to the conference organizers in the approved manner. Although not a strict requirement, a letter of endorsement from the chair of an IGU Commission or Task Force or from the chair of the applicant's National Committee for the IGU will be helpful in documenting the applicant's contributions to the congress. Applications must be accompanied by any endorsement letters and abstract and must be submitted directly to the IGU Secretariat.

Completed applications (including endorsement letters) are due at the IGU Secretariat **no later than 10<sup>th</sup> March 2011**. Applicants will be notified of the outcome of their requests on or about 10 May 2011. Awards of registration fees will be paid directly to the congress organizers. Awards for other costs will be paid in Santiago in US\$ dollars.
